APPROPRIATE ATTIRE

When choosing your clothes for the week, please choose modest apparel – a simple guide: you should not dress to attract people to your body or its parts. Please do not wear clothing that is transparent or exposes skin your clothing is meant to conceal. Please ensure that your clothing – even when stretching or bending at the waist – conceals your undergarments, including straps.

COMMUNICATION

There is free wireless access available at the SPC. In order to minimize distractions we do not allow cell phone use while in session. We discourage attendees from trying to conduct business at home while attending the training seminar and recommend you allow yourself the opportunity to be fully present.

Other than the vast, open countryside there are no fitness facilities available to you at the SPC.
